1827 CENSUS, WASHTENAW COUNTY, MICHIGAN TERRITORY

By Nancy H. Krohn and Jan E. Tripp

On April 2, 1827, the Michigan Territorial Legislative Council directed township assessors take a census of all residents in their districts.[1] The assessors were required to record the names of all heads of families, and to record in each household the number of males, females, male and female children, and the number of "colored people." The count was taken the first Monday in June, 1827. Duplicate returns were made with one copy filed with the county clerk and the other sent to the Secretary of the Michigan Territory.

In 1827, Washtenaw County consisted of just three townships: Ann Arbor, Dexter, and Ypsilanti.[2] See figure 1. Ann Arbor Township included present day Green Oak and Brighton townships in the south-east corner of Livingston County as well as the present-day Washtenaw County townships of Lodi, Northfield, Pittsfield, Saline, and York. Dexter Township was composed of the six southern tier townships of present-day Livingston County, the six eastern townships of Jackson County, and four townships in the southeast corner of present-day Ingham County. Ypsilanti Township included present-day Salem, Superior, Ypsilanti, and Augusta townships.

The original census is apparently complete and found at the Bentley Historical Library (Michigan Historical Collections), Ann Arbor, Michigan. The four pages of Ann Arbor are very clear. The Ann Arbor Township census begins with residents of Ann Arbor Village.

Data : head of family, 1.) white males under 21, 2.) white males over 21, 3.) females, 4.) colored

"-" indicates no data entered for this column. The 4th column, "colored" is omitted with the exception Ann Arbor Township entries number 126 and 127 (Jacob A. Ray and Henry Hardy).

"?" indicates the column data was unreadable.

No. = Number assigned by transcriber to record the original list order.

POLL LISTS, ANN ARBOR TOWNSHIP AND VILLAGE, WASHTENAW COUNTY, MICHIGAN, 1837
(Part Three)

Transcribed by Nancy H. Krohn

(Continued from Vol. 40 No. 3, pgs. 46–51)

Among the earliest extant poll lists for Washtenaw County are two 1837 lists for Ann Arbor Township and Village found in the Washtenaw County, Michigan records, at Bentley Historical Library, University of Michigan and are printed courtesy of the library. Michigan achieved statehood on January 26, 1837 and these elections were held later that year. On August 21st and 22nd, representatives to Congress were elected while representatives to the state legislature, state officers and various county officers were elected on November 6th and 7th.

For ease of searching, the two lists are combined and sorted alphabetically by surname. The August list has 641 names and the November list has 716. The original lists were ordinally numbered with the given name followed by surname. The names of the clerks do not appear on either list. Spelling remains as found on the original. In the August poll list there poll numbers: 243, 303, 305, 549, 590, 625, 633 are duplicated. The second poll number is crossed out.

Code: AUG.xxx = Poll List August 21 & 22, 1837.ordinal number on original list.
NOV.xxx = Poll List November 6 & 7, 1837.ordinal number on original list.
(s) = Sworn.
"+" = Duplicate poll list number.

REV. FRIEDRICH SCHMID'S BAPTISMAL RECORDS, 1847–1875, WASHTENAW COUNTY, MICHIGAN
(Part Eleven)

Translated & transcribed by Rob and Cyndy Steward, 2017

(*Continued from Vol. 40 No. 3, pgs. 53-57)*

The original records of Rev. Friedrich Schmid are currently housed and may be accessed in The Michigan Historical Collections, Bentley Historical Library, University of Michigan, Ann Arbor, Michigan.

Please note that the handwriting of Rev. Schmid is not easily deciphered, in part due to his penmanship. The records contain entries written in old German script and some using English script. In addition, the pages in his records are not numbered. It is our understanding that he kept notes as he traveled and then entered them into his record books when he returned home. This may explain that while the records are fairly complete there are some gaps or omissions.

We have maintained the spelling Rev. Schmid used in the case of names. Items enclosed in parentheses are usually comments or notes of the translators or indicate alternate spellings. The term "geb." in relation to a female name, refers to "born as" or maiden name.

Rev. Schmid's Baptismal Records are in column format as follows:

(Left hand pages – a.) "Chronological Number" of the child for that particular year; Name of Child; Parents Names; Place; Birth Date.
(Right hand pages – b.) Baptismal Date and Place; Sponsors Names (sometimes marital status or relationship of the sponsors are listed).
Columns with no entry or missing information are indicated by three hyphens (---).

SCHOOL CENSUS OF HAGEN SCHOOL, ANN ARBOR TOWNSHP, WASHTENAW COUNTY, MICHIGAN, SEPTEMBER 7, 1903

Contributed by Nancy H. Krohn

Housed at the Bentley Historical Library, University of Michigan, Ann Arbor, Michigan, in the Washtenaw Intermediate School District records is an oversize volume of school census records for the years 1902–1905. The records of Ann Arbor School Number 5, known as Hagen School, located in Ann Arbor Township, include a list of children eligible to attend school in 1903, and is printed courtesy of the Bentley Historical Library.

A school house is marked on the Bechler & Wenig 1864 map of Ann Arbor Township in Section 15 on the south side of Dhu Varren Road about one mile west of what is now Nixon Road. The property owner in 1864 was A. Cook.

The Financial Report in the same collection lists Lydia Stollsteimer as the teacher with a salary of $198.00 for nine months. The report is signed by John Campbell, Director, approved by Fred Haas, Treasurer and W. S. Bilbie, Moderator.

Eligible students numbered 28; 11 attending (7 males, 4 females). The school owned a globe, maps and other supplies. George Keppler is named as the school director for the following year.

A question mark indicates the transcriber was unsure of the scholar's forename spelling.

Here he made his home, until the time of his death. He was recognized as a most expert millwright and built over 50 mills in eastern Michigan. In 1863 he entered into partnership with Messrs. He was a recognized authority on old time milling, and his wonderful retentive memory caused him to be repeatedly called to give expert testimony in law suits. He delighted to speak of his early childhood spent in Lancaster county.
